Animal Care Services to change operation hours ***Changes will not affect animal pickup in the field***

Effective September 4th, 2007, the Animal Care Services department will change the shelter's operation hours to boost efficiency and provide better customer service. The shelter will now be open until 7pm but the Adoption Center will be closed on Mondays to allow for staff training and greater animal socialization. ACS Director Jef Hale says the new hours are in line with other area shelters and still provide six days of lobby service to local residents, "The shelter's new hours will help ACS better address the needs of our community while utilizing staffing and department resources in the most efficient fashion." The new shelter hours of operation will be:

Intake/Reclaim:

Monday to Friday 11am-7pm
Saturdays 11am-5pm
Sundays-closed

Adoptions:

Tuesday to Friday 11am-7pm
Saturdays 11am-5pm
Sundays/Mondays-closed

The hours apply to the actual shelter only and in no way affect the pickup of animals in the field. Animal Care Officers will continue to be available seven days a week to address resident's concerns. The new operation hours will carry over once the new shelter opens this fall near Highway 151 and Old Highway 90.
